- Plants that don't make products will have 2 minutes to *creatively* tell us what they do.

6:45 **I've Got Something on my Mind: Program Planning**

- Small groups will review the CAC mission, purposes, and history and other CACs' program plans and then brainstorm topics members would like addressed in the next year. Sticky dots will be used to prioritize topics you want to cover most in the coming year. [Talk to others in the community and ask what plant-related issues they think we should address.](#)
- A program planning committee will be formed to draft a Program Plan based on group input. It will be reviewed and approved at the following DPCAC meeting, forming the basis of agendas for remaining meetings in 2019 and early 2020.
