

Deer Park Community Advisory Council

Characteristics of Communities within 10 Miles and 30 Miles of Area Refineries

Monday, February 28, 2022

6:00 call to order – adjourn by 7:30 p.m. Central Time

Hosted by Lubrizol

Zoom links will be sent closer to meeting date

- 5:45 Sign in to Zoom, chat and find the participant list, the mute button, and how to ask a question.
- 6:00 Call to order. Review agenda. Approve notes from last meeting. Introductions. Update mailing list.
- 6:10 **Characteristics of Communities within 10 Miles and 30 Miles of Area Refineries**
- A 2019 UTMB study said there was a correlation between cancer rates of those living within 30 miles of a refinery and between the stage of a cancer and those living within 10 miles of a refinery.
 - Among the topics DPCAC wants to understand better before inviting the researchers to speak are the characteristics of communities that fall within those areas. Using data from the 2020 Census and the 2015-2019 American Community Survey, the facilitator will show population, age, race and Hispanic background, education, health, income, and poverty in Deer Park and other area communities.
- 6:55 **Updates**
- Written updates from Evonik, Valvoline, and Vopak.
 - Interim updates on any Level 3 Warnings, Level 2 Watches or other significant news
 - Introduction of new CAC plant, NOVVI
 - Ozone days
- 7:25 Review plans for future meetings:
- March 28 – take part in Deer Park Chemistry Day?
- 7:30 Meeting adjourns. You are welcome to socialize for a while afterward.
- 7:40 Lights out.
