

Deer Park Community Advisory Council

Will participate in Deer Park Chamber of Commerce *Chemistry Day* instead of holding a regular DPCAC meeting

Help with our booth or just come to visit. Encourage friends and neighbors to attend.

Monday, March 28, 2022

San Jacinto College Center for Petrochemical Energy and Technology (CPET)

7901 Fairmont Parkway, Bldg. 45

across from the Pasadena Convention Center

11:00 – 1:00 Chamber Luncheon. *Keynote:* Hector Rivera, Texas Chemical Council. Brief remarks by Facilitator Diane Sheridan about CACs.

DPCAC community members who signed up to attend will be seated at tables hosted by DPCAC plants and others. Chat up your tablemates about why you take part in DPCAC.

1:00 – 3:00 High school students will visit booths and tour CPET. *DPCAC community and plant members:* sign up to help at DPCAC booth. Greet students and tell them about DPCAC.

4:00 – 6:30 Free community expo! Visit booths, tour CPET, take kids to MindTrekker demonstrations. *DPCAC community and plant members:* sign up to help at DPCAC booth. Greet people and tell them about DPCAC. OR just wander around and enjoy the event!

Plant updates

from Clean Harbors, Pemex Deer Park, and Shell Deer Park Chemical will be mailed on Mar. 25.
Direct questions or comments to the contact listed or the facilitator.

Save the Date -- Monday, April 25!

DPCAC returns to in-person meetings at the Republic Grill at the Battleground Golf Course
for an Update on Beltway 8 Bridge Expansion
from the Harris County Toll Road Authority's Deputy Director of Engineering
